

Codes by procedure types requiring medical records submissions.

The following is a list of the Diagnosis, CPT, Revenue, and HCPCS codes known to typically require additional information to document medical necessity. When reporting one of the following codes on a claim, only the medical records identified as "Information Required" should be submitted to BCBSNC in advance of the claim being filed.

If submitting a high-cost claim (where the claim charges exceed \$100,000), please also include the following information:

- Admission Summary/ED notes
- Discharge Summary
- Facility Itemized invoice
- Op report if applicable
- Implant log if applicable
- Circulating Nurse notes if applicable

Please note this code listing is not to be considered all-inclusive and is subject to revision by BCBSNC at any time.
